

# SAI AIR INDUSTRY

industrial air equipment manufacturer

[www.saiblowers.com](http://www.saiblowers.com)

# About Us

**SAI AIR INDUSTRY** was founded in 2015 by Hari in Chennai, Tamil Nadu, with a vision to provide high-quality industrial air blowers, water pumps, and expert repair & maintenance services. Over the years, we have established ourselves as a trusted provider for industries such as aquaculture, shrimp hatcheries, wastewater treatment, ventilation, cement, chemical, and biogas plants.

**As the authorized sales and service dealer for AEW Roots Air Blowers in Tamil Nadu, Kerala, Karnataka, and Pondicherry,**

**we supply twin lobe roots blowers, tri lobe roots blowers, ring blowers, turbine blowers, side channel blowers, regenerative blowers, and centrifugal blowers. Additionally, we specialize in water and wastewater treatment plant pumps, including RO plant high-pressure pumps, STP/ETP sewage & effluent pumps, fire-fighting pumps, screw pumps, centrifugal mono bloc pumps, and submersible pumps.**

## Our Mission & Vision

**At SAI AIR INDUSTRY, we focus on quality, reliability, and customer satisfaction, ensuring that our products and services enhance operational efficiency and longevity. Whether you need new equipment, servicing, or customized industrial solutions, we are committed to delivering the best.**

**[WWW.SAIBLOWERS.COM](http://WWW.SAIBLOWERS.COM)**

# **We Specialize in the Products Sales - Service**

## **◆ Industrial Air Blowers**

**Twin Lobe Roots Air Blowers, Tri Lobe Roots Air Blowers  
Ring Blowers , Side Channel Air Blowers, Regenerative Air Blowers  
Centrifugal Blowers for Exhaust ventilation, Inline Fan Blowers,  
Inlet fan blowers, Wall Mounded Ventilation Fan Blowers,  
Fresh Air Blowers, and exhaust air systems....**

## **◆ Pumps – Water & Wastewater Treatment**

**RO Plant High-Pressure Pumps, STP (Sewage Treatment Plant) Water Pumps  
ETP (Effluent Treatment Plant) Water Pumps , Fire-Fighting Pumps  
Screw Pumps, Centrifugal Mono Bloc Pumps , Submersible Pumps.....**

## **◆ Electrical Motors**

**All types of industrial electric motors, including AC/DC motors, induction motors,  
slip ring motors, and flameproof motors, across leading brands like Siemens,  
Crompton, ABB, Bharat Bijlee, Kirloskar, and Havells.....**

# CENTRIFUGAL AIR BLOWERS

## SALES AND SERVICE

**SAI AIR INDUSTRY** manufactures Belt Drive Multistage Centrifugal Blowers under the brand **SAI BLOWERS**, boiler air, chemical, and ventilation applications.

These blowers offer high-pressure, multistage airflow with belt-driven flexibility, low noise, and durable construction. Available in forward, backward, and radial blade designs, with customized solutions to meet industrial needs.

# TWIN LOBE ROOTS AIR BLOWERS SALES AND SERVICE

SAI AIR INDUSTRY 'S specializes in the sales and service of twin lobe roots air blowers, try lobe roots air blowers , across South India. These blowers are vital for aeration in sewage treatment plants, STP,ETP effluent treatment plants aquaculture, and pneumatic conveying. We ensure efficient performance and long life using genuine spares and expert service support.

# RING & SIDE CHANNEL AIR BLOWERS SALES AND SERVICE

**SAI AIR INDUSTRY 'S**

**We specialize in the sales  
and expert service of  
high-performance Ring  
Blowers and Side Channel  
(Regenerative) Air  
Blowers.**

**Ideal for STP, ETP,  
aquaculture, pneumatic  
conveying, and vacuum-  
pressure applications.  
Reliable performance, oil-  
free operation, and quick  
service support across all  
industries.**

**WWW.SAIBLOWERS.COM**

# INLET FAN AIR BLOWERS SALES AND SERVICE

**SAI AIR INDUSTRY**

Single and double inlet fan air blowers are designed for efficient air movement in industrial processes.

These blowers deliver high airflow and stable pressure for applications like HVAC systems, ventilation ducts, panel cooling, boiler rooms, and process air handling systems... Ideal for continuous operation, they ensure reliable performance in harsh environments.

# DE-GASSER AIR BLOWERS SALES AND SERVICE

SAI AIR INDUSTRY 'S  
De-Gasser Air Blowers  
efficiently remove  
dissolved gases like CO<sub>2</sub>  
and H<sub>2</sub>S from water  
and wastewater,  
ensuring improved  
water quality.

Designed for industrial,  
aquaculture,  
and treatment plant  
applications,  
they deliver reliable,  
oil-free air with low  
maintenance.

SAI AIR INDUSTRY  
offers expert manufacturing,  
sales, and service support  
for all your degassing needs.

# INLINE FAN AIR BLOWERS SALES AND SERVICE

**SAI AIR INDUSTRY 'S**  
**Cabinet & Circular Inline**  
**Fan Air Blowers are**  
**engineered for high-**  
**efficiency airflow with**  
**low noise, ideal for**  
**continuous ventilation in**  
**enclosed spaces.**  
**Designed for easy duct**  
**integration, they support**  
**both supply and exhaust**  
**applications in HVAC**  
**systems. Widely used in**  
**commercial buildings,**  
**hospitals, clean rooms,**  
**kitchens, and industrial**  
**ventilation systems.**

# Ventilation Diffusers and Grilles

## SALES AND SERVICE

**SAI AIR INDUSTRY** offers a wide range of high-performance air distribution products including air diffusers and grilles for use in industrial plants, hotels, offices, hospitals, commercial buildings, and HVAC systems. These products ensure optimal air flow, thermal comfort, and aesthetic integration into modern architectural spaces.

# Turbo Roof Ventilator Fan

## SALES AND SERVICE

[WWW.SAIBLOWERS.COM](http://WWW.SAIBLOWERS.COM)

**SAI AIR INDUSTRY,**  
we specialize in the sales  
and service of high-  
performance Turbo Roof  
Ventilator Fans designed  
for industrial and  
commercial ventilation  
applications. These fans  
are engineered to  
provide efficient, eco-  
friendly, and cost-effective  
air exhaust solutions by  
utilizing natural wind  
energy and thermal  
convection to expel hot,  
stale, and humid air from  
industrial sheds, factories,  
and workshops.

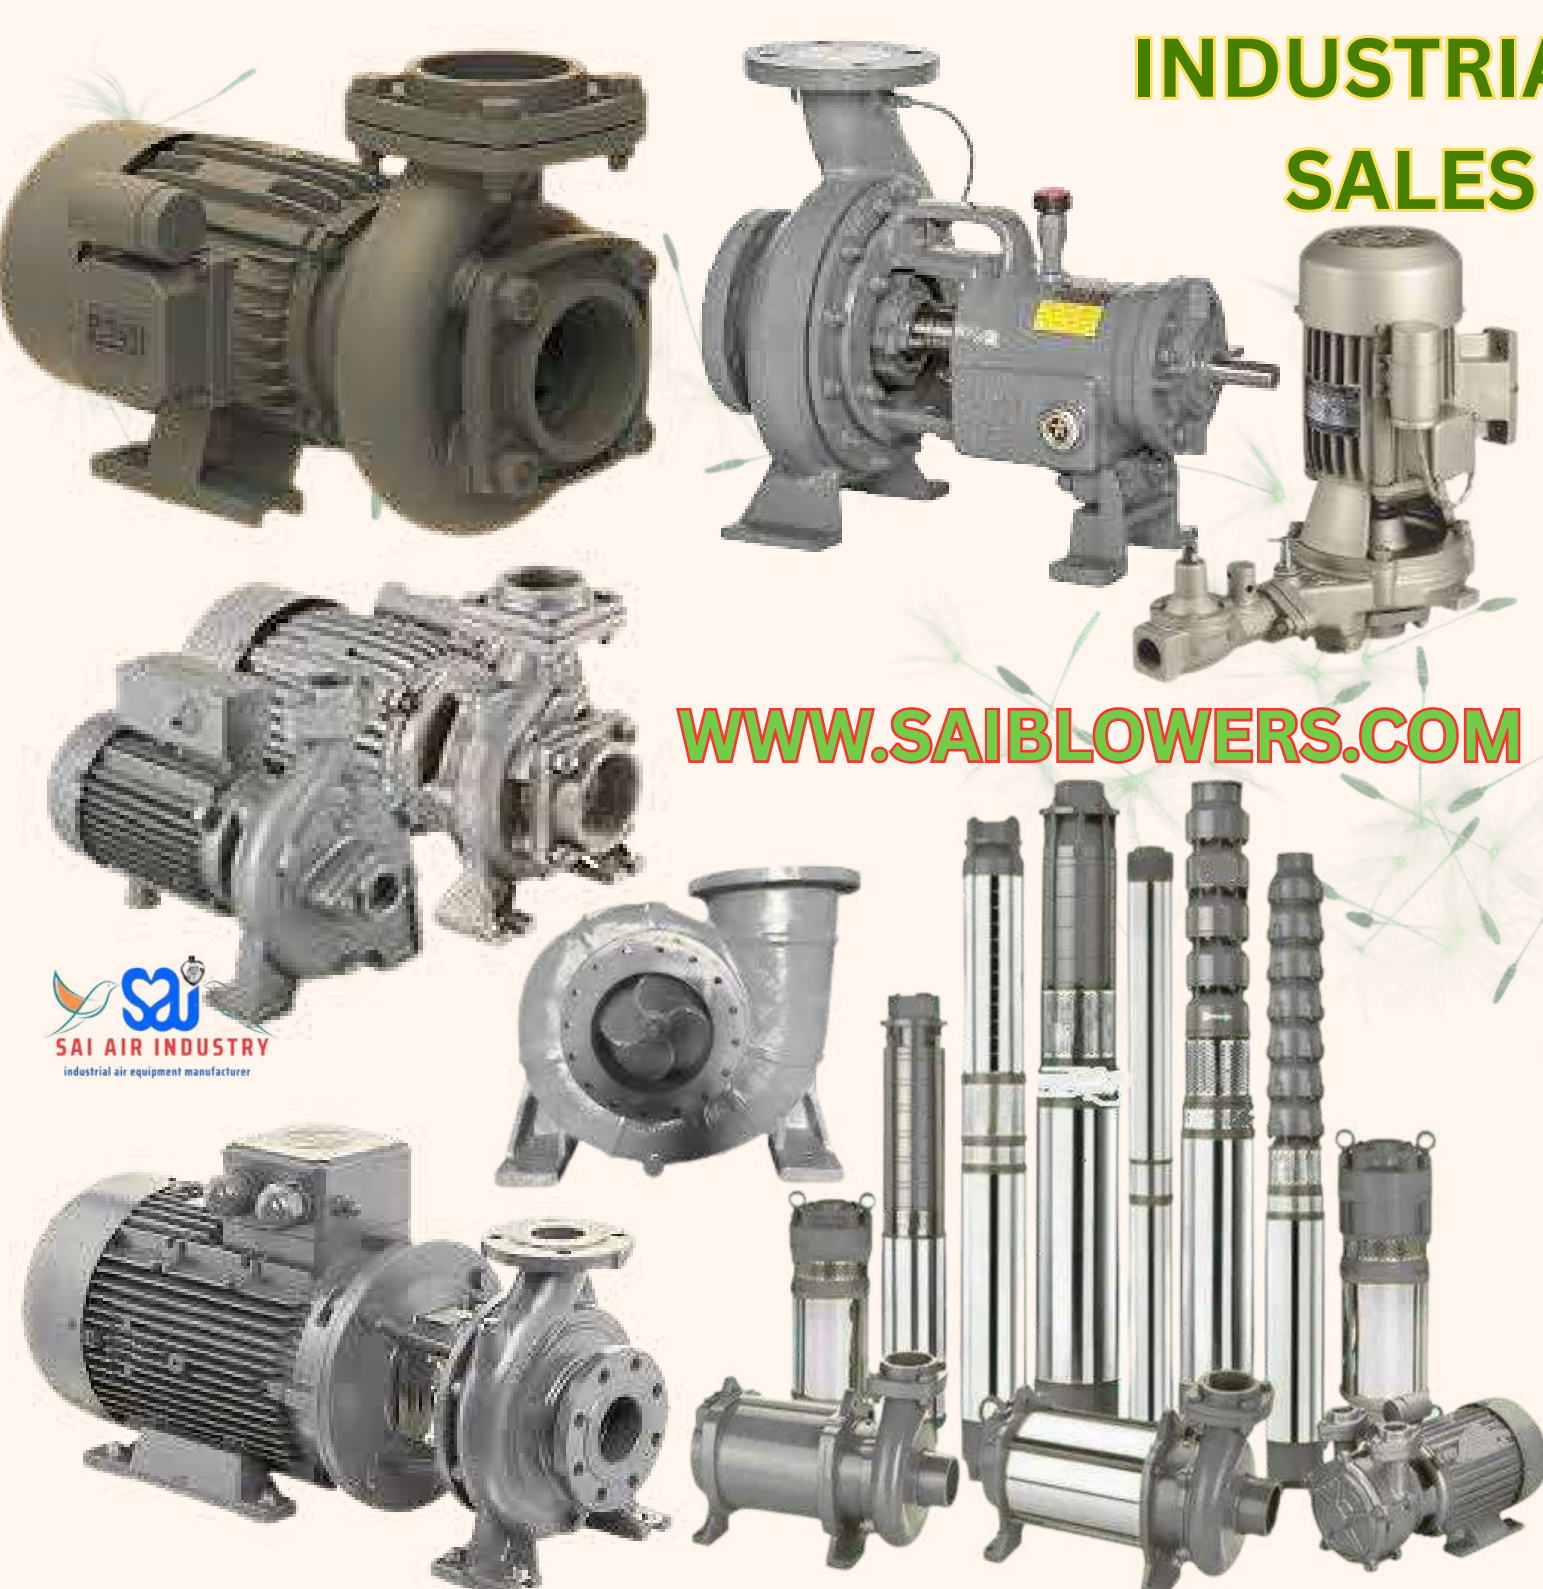

# INDUSTRIAL WATER PUMPS SALES AND SERVICE

**SAI AIR INDUSTRY'S**  
**Water and Wastewater**  
**Pumps – Sales & Service:**  
**We offer a wide range of**  
**reliable industrial pumps**  
**designed for sewage,**  
**effluent, and wastewater**  
**transfer in STP, ETP, and WTP**  
**applications.**

**Our expert team provides**  
**prompt sales, installation,**  
**and maintenance services to**  
**ensure efficient and**  
**uninterrupted plant**  
**operations.**

**Applications include raw**  
**sewage pumping, sludge**  
**handling, chemical dosing,**  
**and treated water**  
**circulation.**

**WWW.SAIBLOWERS.COM**

# INDUSTRIAL ELECTRICAL MOTORS

## SALES AND SERVICE

[WWW.SAIBLOWERS.COM](http://WWW.SAIBLOWERS.COM)

**SAI AIR INDUSTRY 'S**  
We specialize in  
multi-brand  
electric motor  
sales and expert  
service for all  
industrial applications.  
Our services include  
motor rewinding,  
repairs, and spares  
with reliable  
performance  
assurance.  
Serving Chennai and  
surrounding areas with  
prompt support and  
trusted quality.
